THIS IS THE INTO UEA EXPERIENCE

Welcome to INTO University of East Anglia (UEA) – your pathway to a degree from UEA. We give international students like you the opportunity to achieve your academic ambitions and study with a unique community of teachers, researchers and the world’s next generation of problem-solvers.

At INTO UEA, you will study a specialist programme designed exclusively for international students and tailored to the requirements of the University. You will complete your course at our modern Study Centre in the heart of UEA’s vibrant, multicultural campus, where you will be part of the community from the day you arrive.

Choosing to study abroad is a big decision, but at INTO University of East Anglia, we will give you everything you need to succeed at university and beyond. Just take a look at our student success rates in 2018-19!

Choose #INTOUEA and open up a lifetime of opportunities.

90% PASSED

91% of which were **ELIGIBLE** to progress

Passed: % of those who completed their pathway
Eligible: % eligible to progress to the University of East Anglia of those who passed

“INTO UEA was the very first INTO Centre and has welcomed students for more than 10 years. Excellent facilities, combined with our location in the heart of a beautiful campus, provide the perfect environment for student success and happiness.”

DEBBIE PRICE
CENTRE DIRECTOR

THIS IS UEA

“Over the past decade, INTO students have played a significant role at UEA – benefitting from a vibrant academic, social and cultural experience on campus. INTO takes the amazing potential of its students and prepares them for further success at UEA.”

PROFESSOR DAVID RICHARDSON
VICE-CHANCELLOR, UEA

“You need to connect with people who have experience in your field, and UEA provides plenty of opportunities to network with students and professionals. The Actuarial Sciences department, for example, works closely with one of the biggest insurance companies in the world – Aviva.”

IAN, KENYA
COMPLETED AN INTERNATIONAL FOUNDATION AND PROGRESSED TO BSC (HONS) ACTUARIAL SCIENCES WITH A YEAR IN INDUSTRY AT UEA. GRADUATED WITH FIRST CLASS HONOURS AND NOW WORKS AS AN ACTUARIAL ASSOCIATE AT WILLIS TOWERS WATSON IN LONDON, UK

97%

STUDENT SATISFACTION FOR UNIVERSITY CAMPUS ENVIRONMENT (INTO ANNUAL STUDENT EXPERIENCE SURVEY 2019)

The University of East Anglia (UEA) is a thriving global community that will support you in discovering who you are and who you want to be, backed by excellent teaching, employability enhancement opportunities and the latest research into global issues. Join UEA to make connections for life and explore your academic passions in a place where you belong.

GO FURTHER WITH YOUR STUDIES

UEA is globally recognised as a high-performing university that excels in its teaching. Students improve academically throughout their time at UEA, making a bigger difference between their arrival and graduation grades than other UK institutions*.

ENHANCE YOUR EMPLOYABILITY

Through work experience opportunities and links with global, national and local employers, you will have the chance to gain valuable industry experience as you build your professional network. At UEA, it isn't just about getting a degree – it's finding a career you'll love. Employability support includes:

- the Enterprise Centre – giving you the opportunity to start your own business with business coaching, funding and workshops
- CareerCentral – careers guidance while you are studying and after you graduate
- the UEA Award – develop core skills and attributes needed for future employment

THINKING WITHOUT BORDERS

UEA is part of the Norwich Research Park – one of Europe's largest collaborative research sites. Focusing on health, food, development and the environment, this unique research facility explores everything from plant science, genetics and microbiology, to food science, gut biology and human health.

RESEARCH THAT MAKES AN IMPACT

UEA believes that anything is possible when creative and forward-thinking people get together. The people make UEA unique. People like you, who aren't scared to think outside the box and push things forward.

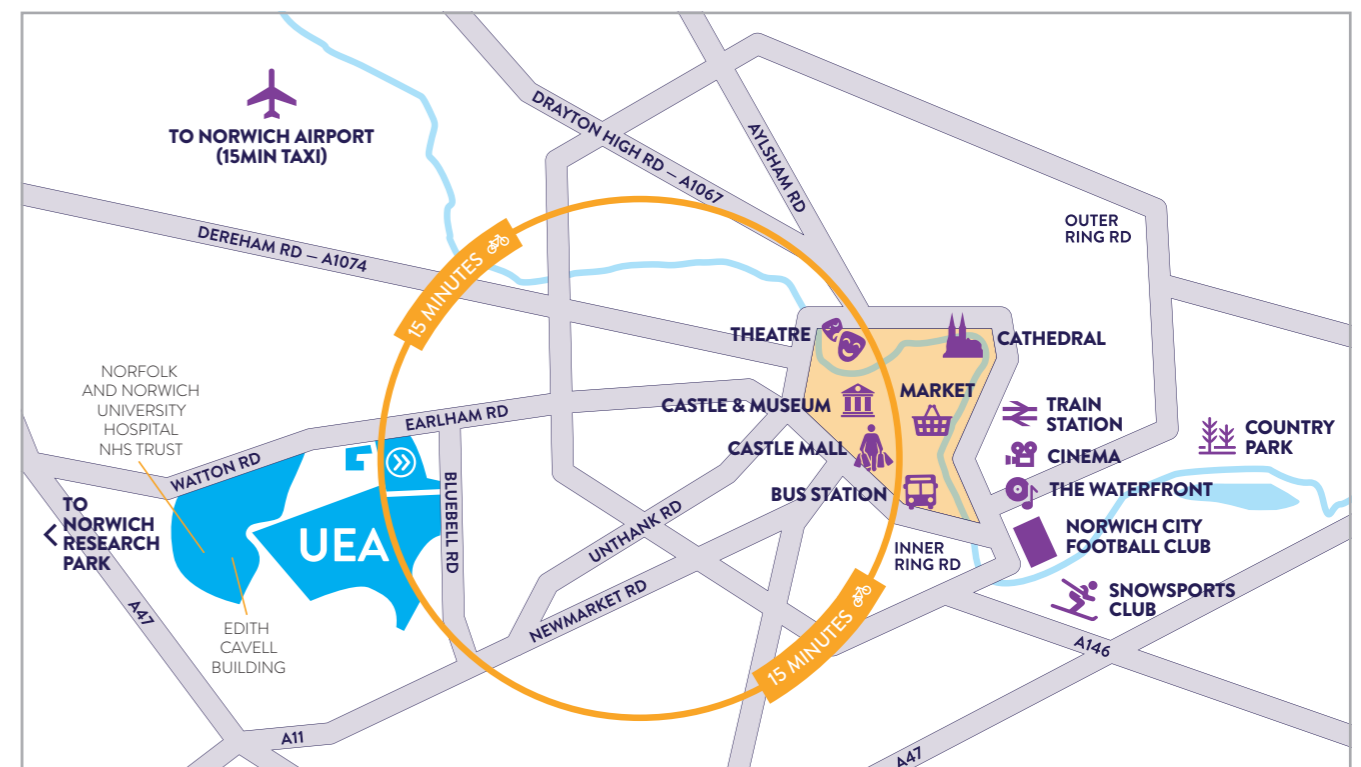

Many award-winning scientists and authors have studied here, along with remarkable medics, business people and academics, including Nobel Prize winning geneticist Sir Paul Nurse and novelist Sir Kazuo Ishiguro.

FEEL LIKE YOU BELONG

UEA has the perfect balance between a peaceful, serene backdrop for your studies and a vibrant, multicultural hub of activity that always has something exciting to enjoy.

A great place for international students to call home, this unique campus:

- is designed as a mini-city with all the amenities you need in one place, but is only a short bus journey or bike ride to the creative and energetic city centre
- has a forward-thinking, stimulating and fun campus culture that welcomes new ideas and new ways of thinking, and recognises that a work-life balance is important for your academic success
- offers a student experience to remember for life – you'll join more than 3,500 international students from 100+ countries
- gives you the freedom to find out who you are and how you fit into your new community, so you can feel like you belong

THIS IS YOUR CAMPUS

“The thing I like most about UEA is the diversity – I’ve met students from all over the world. There are also many clubs, societies and activities – something for everyone – so you truly never feel bored.”

SOFÍA, COLOMBIA
COMPLETED AN INTERNATIONAL FOUNDATION AND PROGRESSED TO BSC (HONS) BIOCHEMISTRY AT UEA

With distinctive and award-winning architecture, UEA’s campus is a vibrant and inspiring place to live and study. It’s designed as a mini-city for students, so you will find everything you need for an amazing study abroad experience.

TOP 5

SAFEST UNIVERSITIES IN ENGLAND
(TIMES HIGHER EDUCATION STUDENT EXPERIENCE SURVEY 2018)

YOUR INTO STUDY CENTRE

The INTO Centre is located in the centre of campus close to everything you need, so you will be part of the University community from day one. INTO UEA provides university-style teaching in the Centre to prepare you for life at UEA. You will benefit from:

- a Learning Resource Centre containing academic books, journals and computers
- three well-equipped science laboratories
- a lecture theatre seating up to 80 students so you can experience lecture-style classes
- the INTO UEA Café serving three meals a day, with halal and vegetarian options
- your accommodation in the same building as your classes (see page 9)

WE’RE HERE TO SUPPORT YOU

From the moment you arrive, the INTO Student Services team will help you settle into life in Norwich. There is a 24-hour telephone helpline for out-of-office questions, and extra support is provided for students under the age of 18.

Go to the Courtyard Office to find our Social and Welfare Officers who can support you with any non-academic issues, including:

- help registering with a doctor
- help with renewing your visa
- advice and guidance about student life

UNIVERSITY FACILITIES

INTO UEA students also have access to many of the University’s facilities, such as:

- UEA library – open 24/7, 365 days a year
- Sportspark – with an Olympic-sized swimming pool, in and outdoor courts and pitches, a fitness centre and a climbing wall
- Multifaith Centre – a spiritual meeting place and community centre on campus
- several on-campus restaurants serving international food options

SUBJECT-SPECIFIC FACILITIES

UEA has some amazing subject-specific facilities available which, depending on your chosen degree, you may be able to access.

- Film and Television students: industry-standard film and television studio
- Psychology students: EEG, Transcranial Magnetic Stimulation, Functional Near-Infrared Spectroscopy, motion tracking and eye tracking labs
- Pharmacy students: mock pharmacy dispensary
- Environmental Sciences students: virtual reality theatre
- Physiotherapy students: anatomy suite and treatment labs
- Health Sciences students: the interactive Norwich Electronic Assistive Technology (NEAT) Centre

INTO UEA SOCIAL ACTIVITIES

It’s important to maintain a healthy work-life balance here. In your first week, you will take part in an orientation programme which will give you the chance to meet other students. The INTO Centre runs regular trips, game and movie nights, craft nights and seasonal events to keep you entertained between studies.

UEA STUDENT SOCIAL LIFE

The LCR is a popular nightclub and music concert venue located in the middle of campus. As an INTO UEA student, you will also become a member of the Students’ Union.

In Union House, you’ll find a range of facilities run by the Students’ Union (SU), including:

- Unio Coffee – an ethical coffee shop
- bar(su) and pizza(su) – two bars that host regular student events, plus a pizzeria
- shop(su) – a conveniently located shop containing all the student essentials
- The Hive – there’s always something interesting going on here!
- 250+ clubs and societies, including law, entrepreneurship, debating, drama, anime, music, cultural and international societies

TOP 10

IN THE UK FOR STUDENT SOCIAL LIFE
(TIMES HIGHER EDUCATION STUDENT EXPERIENCE SURVEY 2018)

THIS IS NORWICH

“INTO UEA is located in Norwich which is one of the safest cities in the UK. This made my parents feel secure in sending me abroad to study. I love the city – it has a great market which sells really good food, as well as a beautiful river. I liked strolling around the riverbank at the weekend.”

JANICE, INDONESIA
COMPLETED AN INTERNATIONAL FOUNDATION AND PROGRESSED TO MPHARM PHARMACY WITH A PLACEMENT YEAR AT UEA. GRADUATED WITH FIRST CLASS HONOURS AND NOW WORKS AS A RESIDENT PHARMACIST FOR ADDENBROOKE'S HOSPITAL IN CAMBRIDGE, UK

THE UK'S BEST KEPT SECRET

Full of creativity, energy and culture, Norwich is a great place to explore and have some fun. Just two miles from the UEA campus, it doesn't take long to embrace city life.

You'll find lots to do here, and you'll also have the security of knowing that Norwich is one of the top 10 safest places to be a student (The Telegraph 2017).

A FAVOURITE STUDENT CITY

Home to hundreds of creative businesses, stylish shops and international restaurants, Norwich is an exciting place to live in.

The city is large enough to host major events, such as the stunning theatrical acts of the Norfolk and Norwich Festival, but small enough to find hidden gems. You'll discover:

- a trampoline park, bowling alleys, cinemas and theatres
- several Chinese, Asian and international supermarkets
- music acts performing at The Waterfront, run by UEA's SU
- two modern shopping centres to buy top brands
- easy travel to the coast to get involved in watersports
- a dry ski slope within a few miles of the University

EXPLORE THE UK FROM NORWICH

If you are eager to explore the rest of the UK and Europe, Norwich has great transport links. Fly to Manchester, Edinburgh or Amsterdam from its international airport, or get the train to:

- Cromer Beach – 1 hour
- Cambridge – 1 hour and 20 minutes
- London – under two hours

ONE OF THE

BEST

PLACES TO LIVE IN THE UK
(THE SUNDAY TIMES
BEST PLACES TO LIVE 2020)

THIS IS YOUR HOME

THIS IS YOUR HOME

Our modern, on-campus accommodation means that you will quickly become part of UEA's friendly and welcoming student community. With homestay accommodation available as an alternative option, it's easy for you to find the perfect place to stay.

INTO STUDENT RESIDENCES

If you would like to live on campus, the INTO student residences are in the same building as the INTO Centre, so you are perfectly located for getting to your lessons quickly and easily! Your accommodation will include:

- a private study bedroom with bathroom
- shared kitchen and living spaces with other INTO UEA students
- the option to book a meal plan and have two meals cooked for you in the on-site, international INTO Café every day

After you complete your INTO course, you'll be guaranteed accommodation in UEA halls of residence for the first year of your degree.

HOMESTAY

This is a unique opportunity to experience British life and culture first-hand. You will have a private room in a carefully selected host's home, sharing mealtimes and living spaces.

SUPPORTING YOU

In the residences, you will find on-site staff available 24/7 to offer support and ensure your experience is a happy one. If you are under the age of 18, you will live on a corridor with additional entry access security and receive extra support from the Welfare Officers.

Choosing your course

Prepare for your university degree with our tailored, academic pathway programmes designed in partnership with the University of East Anglia. You'll benefit from university-style teaching for subject-based modules and high academic standards. Then, when it comes to progressing to your chosen degree, we'll support you with your university application.

Please note that course length and start month options may vary depending on the pathway chosen. Please visit www.intostudy.com/uea/courses for full information.

Newton A level Programme

- > A unique opportunity to study A levels related to science, mathematics and economics on a university campus, receiving expert tuition and focused attention.
- > You could achieve exceptional A level results and gain a place at a top university, such as Cambridge, Imperial, LSE, UCL, UEA and medical schools in the UK and Ireland.
- > Receive support while applying to competitive degree programmes. 100% of students who applied to Cambridge and Oxford in 2018 and 2019 were invited for an interview!

Science and Medicine

- > Opportunities for medical work placements at the University hospital.
- > Weekly Medical Ethics classes to prepare you for medical applications.

Compulsory A level subjects: Biology, Chemistry, Mathematics

Optional A level subjects: Physics, Psychology

Progress to undergraduate degrees such as Medicine, Dentistry and Psychology

Engineering and Mathematics

- > Participate in weekly maths enhancement classes to develop your skills.
- > Take part in the nationally recognised UK Mathematics Challenge, competing against other international and UK students, and work towards a CREST Award.

Compulsory A level subjects: Physics, Mathematics, Further Mathematics

Optional A level subjects: Chemistry, Economics

Progress to undergraduate degrees such as Computer Science, Engineering and Physics

Economics, Business and Actuarial Science

- > Impress universities by extending your knowledge beyond the curriculum, and undertake a recognised project qualification to enhance your applications.
- > Work towards a CREST Award to enhance your university applications and develop excellent communication, project management and teamwork skills.

Compulsory A level subjects: Economics, Mathematics

Optional A level subjects: Further Mathematics, Physics

Progress to undergraduate degrees such as Accounting, Business and Economics

Find comprehensive information on all academic pathway programmes, degree options and progression requirements at: www.intostudy.com/uea/courses

Degree option with a work placement also available
 Degree option with a year abroad or overseas experience also available

Please note: English level and academic progression requirements are correct to the best of our knowledge at the time of going to print. In some circumstances, these may change throughout the year – please visit www.intostudy.com/uea/courses for the most up-to-date information. Progression requirements, including English level and final grade, may be higher for degrees with a year in industry, a year abroad/overseas placement, and with an integrated Master's.

* A Master's degree option is also available.

International Year One

Biology - BLGY

- > Benefit from pathway modules taught alongside first year students at UEA: 'Biodiversity', 'Evolution, Behaviour and Ecology' and 'Molecular Biology and Genetics'.
- > Take advantage of extensive research facilities in the Norwich Research Park, as well as modern teaching labs in the new £31 million Building for Science and Engineering.
- > Opportunity to progress to Year 2 of an undergraduate degree in biological sciences or molecular biology and genetics at UEA's School of Biological Sciences.

What will I study?

You will need to earn 120 credits from the following modules:

Biodiversity (20 credits)	English and Skills for Biologists (20 credits)
Biological Chemistry for International Students (20 credits)	Evolution, Behaviour and Ecology (20 credits)
Cell Biology and Physiology for International Students (20 credits)	Molecular Biology and Genetics (20 credits)

Progress to 4 degrees. Find out more online at www.intostudy.com/uea/BLGY

Biomedicine - BIOMED

- > Progress to Year 2 of BSc (Hons) Biomedicine at UEA's School of Biological Sciences.
- > Benefit from the following pathway modules taught alongside first year students at UEA: 'Introduction to Biomedicine' and 'Molecular Biology and Genetics'.
- > 'Introduction to Biomedicine' is taught by world-class academics from the School of Biological Sciences and Norwich Medical School, as well as hospital consultants and biomedical scientists from the Norfolk and Norwich University Hospital.

What will I study?

You will need to earn 120 credits from the following modules:

Biological Chemistry for International Students (20 credits)	English and Skills for Biologists (20 credits)
Cell Biology and Physiology for International Students (20 credits)	Introduction to Biomedicine (40 credits)
	Molecular Biology and Genetics (20 credits)

Progress to 1 degree. Find out more online at www.intostudy.com/uea/BIOMED

"During my degree, I had the opportunity to work at the John Innes Centre – a centre dedicated to research in plant and microbial science. This gave me a wealth of practical skills and a better understanding of research in my field of interest."

Mellieha, UK
 Progressed from INTO UEA to study BSc (Hons) Molecular Biology and Genetics at UEA. Now studying for a PhD at UEA in how plants use sulphur compounds to cope with salt stress

Progress to Year 2 of an undergraduate degree at UEA

Start date

3 term: Sep

English language entry requirements*

3 term: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent.

Age requirement

17 years and above**

Prepare to progress to a degree at the University of East Anglia.

Top 125

in the world for Life Sciences

(Times Higher Education World University Rankings by Subject 2020)

Start date

3 term: Sep

English language entry requirements*

3 term: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent.

Age requirement

17 years and above**

Prepare to progress to a degree at the University of East Anglia.

100%

internationally-recognised research environment in Biological Sciences

(Research Excellence Framework 2014)

* If you do not meet the minimum English language requirements, you should apply for our Academic English course. See page 19 for more information.

** All students commencing courses on a September start date must be 17 years old by 31 December of that calendar year.

Progress to Year 2 of an undergraduate degree at UEA

Start date

2 term: Mar
3 term: Sep or Jan
4 term: Jul or Oct

English language entry requirements*

2 term: IELTS 5.5 (with a minimum of 5.0 in each subskill) or equivalent.

3 term: IELTS 5.0 (with a minimum of 5.0 in writing) or equivalent.

4 term: IELTS 4.5 (with a minimum of 4.5 in writing) or equivalent.

Students intending to progress to any degree with an economics element:

2 term: IELTS 6.0 (with a minimum of 5.5 in each subskill) or equivalent.

3 term: IELTS 5.5 (with a minimum of 5.5 in writing) or equivalent.

4 term: IELTS 5.0 (with a minimum of 5.0 in writing) or equivalent.

Age requirement

17 years and above**

Prepare to progress to a degree at the University of East Anglia.

Top 9

in the UK for Accounting and Finance

(The Guardian University Guide 2020)

Start date

3 term: Sep

English language entry requirements*

3 term: IELTS 5.5 (with a minimum of 5.5 in writing and no less than 5.0 in other subskills) or equivalent.

Age requirement

17 years and above**

Prepare to progress to a degree at the University of East Anglia.

25th

in the world for Development Studies

(QS World University Rankings by Subject 2020)

* If you do not meet the minimum English language requirements, you should apply for our Academic English course. See page 19 for more information.

** All students commencing courses on a September start date must be 17 years old by 31 December of that calendar year.

† While this is a non-credit bearing module, it is essential, along with your academic modules, for your progression.

International Year One

International Graduate Diploma

Business, Economics and Social Sciences

- Depending on your sub-pathway, this programme teaches you modules in Business, Economics and Social Sciences to prepare you for postgraduate studies at UEA.
- In addition to a standard 2-semester programme, there is also a shorter 1-semester (6-month) accelerated programme aimed at students with a higher level of English that prepares you for entry to a postgraduate degree at UEA in a shorter period of time.
- Conditional progression to UEA's Faculty of Social Sciences, including the AMBA and AACSB accredited Norwich Business School, or the Faculty of Arts and Humanities.

What will I study?

For the 2-semester programme, you will need to earn 120 credits from the following modules:

Core modules:

English Language and Study Skills (30 credits)
Introduction to Research (10 credits)
Quantitative Analysis (10 credits)
Social Communication Skills (0 credits)

Specialist modules –

Business and Economics sub-pathway:
Core Business (20 credits)
Entrepreneurship (30 credits)
Issues in Economics (20 credits)

Specialist modules –

Social Sciences sub-pathway:
Applied Research Skills (30 credits)
Global Issues and Development (20 credits)
Social and Cultural Studies (20 credits)

Please note: depending on your chosen sub-pathway, students on the 1-semester programme will take all core and specialist modules except Social Communication Skills

Progress to **40+** degrees. Find out more online at www.intostudy.com/uea/GDB

Please note: English level and academic progression requirements are correct to the best of our knowledge at the time of going to print. In some circumstances, these may change throughout the year - please visit www.intostudy.com/uea/courses for the most up-to-date information.

English courses

Academic English

- For students who need to increase their IELTS level in order to progress to university. This intensive course offers rapid progress of up to one IELTS band per term.

Course features

- You will learn through face-to-face teaching and online learning to communicate effectively in English and improve your reading, writing, speaking and listening skills.
- A diverse social programme and effective academic content will help you to develop the fluency and confidence you need to progress to further study.
- Access INTO's interactive online learning platform, MyINTO, outside of class to practise your English language skills, complete tasks and engage with your classmates.
- Developed in partnership with Cambridge English, the world leader in language assessment, INTO English Language Assessment (IELA) provides a standardised online assessment of all four core language skills throughout your studies. The IELA test is available to you as an additional form of assessment and allows you to choose from a wide range of Higher Education institutions.

Pre-sessional English

- For students who are academically qualified and hold an offer from the University of East Anglia, but need to improve their English language skills to the level required for their chosen degree.

Course features

- Prepare for your degree by learning English language and study skills tailored to the requirements of university study in a 4, 6, 8, 12 or 16 week course.
- Learn from experienced teachers and alongside students who will be studying the same - or similar - subjects as you at the University.
- Study academic vocabulary related to your degree and learn how to give presentations on areas of academic interest to practise this terminology.
- Get used to living and studying in the UK and adjust to the style, challenges and expectations of the UK higher education system.

"The Academic English course significantly improved my academic vocabulary and taught me how to structure a research paper."

Fabio, Angola
Completed Academic English and progressed to MSc Advanced Computing Science at UEA. Now working as an IT Security Technician at BFA, Angola

Improve your English language skills to prepare for further academic study

Start date

16 weeks: Aug
1-4 terms: Oct, Jan, Apr or Jul

English language entry requirements

From IELTS 3.0

Age requirement

16 years and above

Class hours

30 learning hours per week, with 25 hours of face-to-face contact

Improve your English language skills to the level required by your chosen degree

Start date

16 weeks: May
12 weeks: Jun
8 weeks: Jul
4 or 6 weeks: Aug

English language entry requirements

4 weeks: achieved the IELTS level (overall and in any specified skills) required by your University School of Study, and have been accepted onto the course.

6 weeks: achieved the overall IELTS grade required by your University School of Study but have 0.5 lower than the requirement in one specified skill.

8 weeks: a maximum of 0.5 IELTS point band lower than the level required by your University School of Study, both overall and in any specified skill.

12 weeks: a maximum of one IELTS band lower than the level required by your University School of Study, both overall and in any specified skill.

16 weeks: a maximum of one IELTS band lower than the level required by your University School of Study, overall, with up to 1.5 IELTS band lower in one specified skill and one IELTS band in the others.

Age requirement

17 years and above

Class hours

20 hours per week on average

Dates and prices
