# A PREEMINENT STATE RESEARCH UNIVERSITY

"I chose USF because it is a research-driven university. There are many opportunities to get involved in research and to start your own. It opens up a lot of doors for your career and helps you to be successful."

#### Adheesh, Indi

International Year One in Computer Science and Engineering

# AS ONE OF THE LARGEST PUBLIC UNIVERSITIES IN

the NATION, USF uses its big-university resources and prestige to focus on student success and groundbreaking research. USF is also one of the three flagship schools in the state of Florida that holds the status of Preeminent State Research University.

USF is known for its top-ranked programs, distinguished faculty and a dynamic learning environment, which will challenge you to discover new sides of yourself and your areas of interest.

Established in 1956, USF has become a leader among Golden Age universities, gaining even more flexibility and freedom to forge new paths and foster innovation and progress.

Recognized as the No. 2 best affordable college for international students in the US by College Factual 2021, USF provides its students with an outstanding value by offering a world-class education.

#### **Exceptional Resources for Research and Jobs**

Centered around global, high-impact investigations, USF continues to lead in total research expenditures, ranking in the top 50 among public universities in the nation in 2021 by *the National Science Foundation*. USF scholars are advancing the frontiers of medicine, science, engineering and the arts. With eleven different research centers on campus, state-of-the-art labs and equipment, USF offers you plenty of space to explore your ideas and achieve your dreams.

USF's progressive, entrepreneurial spirit helps cultivate an exceptional environment for students. Our on-campus Technology Incubator has created 150+ student- and alumni-run companies, and the Center for Entrepreneurship ranks in the top 20 nationally.

#### **Exciting Location and Campus Life**

Enjoy sunny beaches and lively student activities on our campus, where you meet people from every state in the US as well as from all over the world. Located in vibrant Tampa, Florida, USF is an ideal destination for city life and career advancement.

With Florida's resort-style living experience and countless opportunities on our thriving campus, you'll earn your enviable USF degree in paradise.

We offer Academic English, International Year One, Graduate Pathway and Direct Entry programs, where you will work alongside your American peers and earn credits toward your degree while improving your English skills. After a successful completion of your program, you will be able to progress to a USF degree program.

# THE INTO USF ADVANTAGE

#### INTO USF is located on campus and provides students many services, including:

- Free airport pickup
- Assistance with arrival, housing, dining and medical concerns
- · Specialized staff who will help with non-academic issues
- Language and cultural support
- Full week of orientation activities prior to the start of the semester to ensure a smooth transition into your new life
- Full-time on-campus housing expert to assist with all reservation matters and requests

#### YOU WILL ALSO HAVE ACCESS TO A VARIETY OF FREE ACADEMIC SUPPORT:

- Specialized Learning Consultants who meet with you to discuss course material in areas such as business, engineering, physics, English language and many other subjects designed to support international students studying at an American university
- · Personalized academic advising to assist you with your individual study plan
- IELTS, TOEFL, SAT, ACT, GMAT, GRE and FE preparation

"INTO USF was the best flexible option I found to become a USF student. Besides all the additional academic support, I could still find myself in a family environment, full of events, activities and resources that helped me settle down in Tampa and make me feel at home. INTO USF gave me space for my professional growth, opening the doors for my career after college."

#### TRADITIONAL STYLE - Double Bedroom (The Village)

includes a dining facility, a fitness center and outdoor pool. Traditional style rooms represent the most common style of university housing. Students share a bedroom with a roommate and a community bathroom with their floormates

Bedroom size is approximately 3.5m x 6m

TRADITIONAL STYLE - Double & Single (Located in Castor Hall) Traditional double-occupancy rooms have two students sharing one room. Traditional single occupancy rooms are the same as double-occupancy rooms, but with one set of furniture. Residents sharing the same gender identity are assigned to a wing and share a community bathroom located at the center of each wing

Bedroom size is approximately 4.5m x 3.6m.

#### SUITE STYLE - One Double Bedroom with Private Bathroom (The Village)

The Village suite-style rooms offer a balance between independence and convenience. With bathrooms shared only by suitemates, suites provide more privacy than traditional rooms.

Bedroom size is approximately 3 5m x 8m

#### **APARTMENT STYLE - Four Private Bedrooms**

Apartments offer more privacy and are a great choice for older students and those who find it easy to seek out community involvement opportunities. Two bathrooms are shared by four apartment mates.

Bedroom size is approximately 2.4m x 3.7m

## UNDERGRADUATE ADMISSIONS >>

There are three ways to begin your undergraduate studies at USF. With more than 100 bachelor's degrees, flexible study plans and multiple start dates throughout the year, we will help you find the path that is right for you.

There's no need to stress about where you start; just focus on where you're going. You can complete your degree at any stage. We don't design our programs for one type of student; our programs are built for everyone. Where you will begin depends on your grades and English level. Where you end up is where you want to be: graduating with a bachelor's from USF.

→ **DIRECT ENTRY:** If you meet the academic language requirements for your degree program, you can apply directly to USF.

To apply, you will need the following required documents: declarations, high school transcripts, university transcripts (for transfer applicants), proof of degree, accounting of time, passport, English test score and proof of enrollment (transfer student only). An application fee may apply. For more information, visit www.usf.edu/admissions/international. For transfer admissions requirements visit:

→ INTERNATIONAL YEAR ONE: International Year One allows you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. You will receive additional academic, English language and cultural support to help you successfully complete your first year and graduate in the same amount of time as direct entry students. For more information, visit www.intostudy.com/USF/programs

admissions.usf.edu/transfer

→ **ENGLISH LANGUAGE PROGRAM:** If you do not meet the direct or International Year One entry language requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to International Year One or enter your degree program directly. Learn more on page 20.

#### **US UNDERGRADUATE EDUCATION SYSTEM**

To graduate with your 4-year undergraduate degree, you will need to take the following classes:

**Core classes:** General education courses can include English composition, social sciences, humanities, history, mathematics and natural/physical science. These are typically taken at the beginning of your degree.

Major classes: These classes will be about the specific field of study you chose. They are typically taken toward the last part of your degree.

Undergraduate Admissions | 15 INTO University of South Florida 2022-2023

# **GRADUATE ADMISSIONS** >>

USF offers 170+ master's, specialist programs and PhD programs and several dual degree programs. You have several paths to begin earning your graduate degree.

How you start your program depends on your academic profile and your English level. How you finish your program is exactly how you pictured: graduating with a master's or PhD from USF.

ightarrow DIRECT ENTRY: If you meet the academic and English language requirements for your degree program, you can apply directly to USF.

To apply, you will need the following required documents: declarations, university transcripts, proof of degree, personal statement, accounting of time, passport, English test score and proof of enrollment (transfer student only). An application fee may apply.

Graduate degrees are competitive, and an extensive review of your application will be done, please expect a longer turnaround for an admissions decision. For more information, visit www.usf.edu/ admissions/international

- → **GRADUATE PATHWAY:** Our Graduate Pathways allow you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. The program will help build the academic foundation and essential English language skills you need to successfully progress to your master's degree. For more information, visit www.intostudy.com/usf/programs
- → **ENGLISH LANGUAGE PROGRAM:** If you do not meet the direct or Graduate Pathway program entry language requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to a Graduate Pathway program or enter your degree program directly. Learn more on page 20.

INTO University of South Florida 2022-2023

Our Academic English program prepares you for a university degree by improving your English language skills and providing you with the academic tools you need to succeed. Students like you will learn English in and out the classroom and you will be taught by our qualified and experienced faculty. You will have opportunities to practice your English with native speakers during your everyday life. On top of that, you will receive customized support for international students to help you transition to life at a US university.

#### What You Will Learn

- Understand US values in an academic setting
- Present spoken and written ideas accurately and effectively in English
- Write research papers with proper use of citations and references
- Read, understand and critically evaluate academic texts
- Understand and use vocabulary common to academic disciplines
- Take useful and accurate notes in academic lectures and presentations

#### Academic Study Plan Calculator

Our Academic Study Plan Calculator will help you estimate your study plan. Simply add your academic program and English scores and receive an estimated study plan showing your duration of study. https://estimateus.intostudy.com

#### **Assured Study Plan**

All students take a placement test that determines the most suitable level for them within our program. Students who submitted a TOEFL, IELTS, or Duolingo score may have been offered an assured level as part of their study plan. They may be required to join one level lower than their original study plan if the program placement score differs from their assured level placement.

#### Key Program Facts

Fall, Spring and Summer start dates

Each semester is 14 weeks (12 weeks in Summer)

Minimum enrollment of one semester

High school diploma required

No English language requirement; students will be assessed and placed upon arrival

#### **Progression Requirements**

#### International Year One 2-Semester Pathway

#### Completion of Academic English Level 4

#### **Direct Undergraduate Admission**

Completion of Academic English Level 5

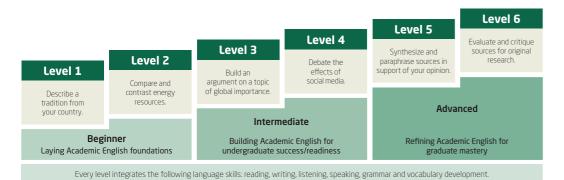

#### Graduate 2-Semester Pathway

Completion of Academic English Level 5

#### Direct Graduate Admission

Academic English Level 6 meets minimum entry requirements for master's level studies; PhD level and some master's programs may require higher English language proficiency scores

# Invest in your degree. Invest in your future. Invest in you.

With a strong foundation and on-the-job experiences, your education can determine how far you go in your career. Based on your program, you will receive the level of support that corresponds to your academic profile, English language scores and budget. Through our Pathway programs and Academic English programs, you will have access to our Pre-arrival Success Services, airport pickup when you arrive. You can also enjoy housing coverage and extra meals during university holidays and breaks.

**Programs** There are two main semesters per academic year (Fall, Spring), each 16 weeks long with a shorter Summer semester of 12 weeks.

#### **Campus Housing**

On-campus housing at USF is available to all students (AE, International Year One and Graduate Pathway programs). We offer a range of options. Information can be found here: https://www.usf.edu/intousf/arriving/housing-at-intousf.aspx

Costs include the room, and an all-access meal plan. For students booking a whole year, costs include staying during the breaks. Costs vary from \$7,210 to \$9,070 per semester depending on room type selected. Single rooms are available on a limited basis and offered on a first come first served basis. Depending on the room type selected, students will either have a shared bathroom in their room or community bathrooms on their floor.

For students looking for off-campus housing options, average costs are currently \$600 - \$1,500 per month. You can find information on your options here: https://offcampushousing.usf.edu/

Are you an F-1 student? You will need to provide proof of funding in order to get your I-20. Proof of funding is a way a student shows they have sufficient funds (usually via a recent bank statement) to live and study full-time in the US for up to one academic year. This is different from the cost of attendance OR a statement of account. The proof of funding amount will not be an amount that is billed to you and is solely for immigration purposes. To find out more about proof of finances for immigration purposes, visit www.intostudy.com/en/usf/costs
