

SUMMER CAMPS

IGK's summer camps are a popular option for young adults. Students can study English in the morning at IGK, and then spend the afternoons doing fun, local activities where they get to use their English skills by communicating with other students from around the world.

OUTDOOR EDUCATION PROGRAM:

Scheduled every day
See sample activities calendar

IGK Summer Family Pack:

The entire family can study English in beautiful Kelowna

Our family packs allow the entire family to study English at the same time and on the same schedule in classes tailored to their age and English language ability.

- Stay in private apartments as a family
- Available for children aged 6–11, teenagers aged 12–17 and adults 18+
- Enjoy the afternoon and weekend activities with the rest of your family
- Enjoy some split afternoon and evening activities for adults including wine tasting, microbreweries, live theatre events (when available) and fine dining opportunities, while children explore age appropriate activities.
