

UNRIVALLED SUPPORT INSPIRING SUCCESS

University pathways for international students 2023–24

INTO»UNIVERSITY OF EAST ANGLIA

Boost your academic scores with INTO UEA

INTO University of East Anglia (INTO UEA) is designed for your success. Our pathways are taught in a unique live-learn environment on a safe university campus, with progression to the University of East Anglia (UEA). You'll thrive at university and beyond with our tailored support. Make connections for life at UEA, exploring your academic passions in a place where you belong.

Start your studies at our INTO Centre on campus, where you'll live and learn with the best in 24/7 care. We're here for you every step of the way, from the first day of your pathway to the day you graduate with your degree. We'll help you adjust to the UK education system and boost your confidence in communicating in English. You'll also be supported with any non-academic issues, such as visa guidance and advice about student life.

92% student satisfaction with the campus environment

Join a highly satisfied international student community

(INTO Annual Student Experience Survey 2022)

79% of our students achieve a 1st or 2:1

Thrive in an environment designed to help you succeed

(Based on INTO UEA undergraduate students graduating in 2021)

World top 200 university

Go further in your studies at a leading UK university

(Times Higher Education World University Rankings 2011-22)

"INTO UEA was the very first INTO Centre and has welcomed students for more than 15 years. Excellent facilities, combined with our location in the heart of a beautiful campus, provide the perfect environment for student success and happiness."

Debbie Price
Centre Director, INTO UEA

Why choose INTO UEA?

15+

years' experience helping international students succeed

95%

student satisfaction with support

(INTO Annual Student Experience Survey 2022)

94%

student satisfaction with the learning experience

(INTO Annual Student Experience Survey 2022)

100%

of all pathway students were eligible to progress in 2020/21

“During my time at UEA Law School, I gained experience with the Law Clinic and Norfolk Citizens Advice, took part in a national mooted competition, visited law firms, and attended a lecture with a judge from the International Court of Justice. Qualifying as a barrister wouldn't have been possible without INTO UEA and UEA.”

Muhammad, Pakistan
Bar Vocational Course at City, University of London

- International Foundation
- LLB (Hons) Law

Your success starts here

At UEA, it isn't just about getting a degree – it's finding a career you'll love. The careers service on campus will help you reach your potential during your studies and into employment. Discover your ideal career path and start building your professional profile, so you'll graduate ready to land your dream job.

STRENGTHENING YOUR CAREER PROSPECTS

UEA's mission is to prepare students for life, not just their studies. Access a range of support services at CareerCentral, including CV building schemes, confidence workshops, job fairs, interview practice, mentoring, industry experience, business coaching and funding, community engagement, volunteering support, internship opportunities and the UEA Award. Plus, take part in The Duke of Edinburgh's Award during your studies to really make your CV stand out.

ENHANCE YOUR EMPLOYABILITY

UEA graduates have gone on to work for:

- BRITISH AIRWAYS
- DELOITTE
- ERNST & YOUNG
- GOLDMAN SACHS
- HSBC
- IBM
- KPMG
- MANCHESTER UNITED
- PWC
- UNILEVER

“UEA provides plenty of opportunities to network with professionals. The Actuarial Sciences department, for example, works closely with one of the biggest insurance companies in the world – Aviva. The experience I gained during my year in industry was invaluable.”

Ian, Kenya
Actuarial Associate at Willis Towers Watson

- International Foundation
- BSc (Hons) Actuarial Sciences with a Year in Industry

“I took part in the UEA Award during my degree to get involved with activities beyond my course. I attended networking events, volunteering opportunities and even work experience. I developed my soft skills by taking part in these activities – I highly recommend the UEA Award to any student!”

Dilayla, Turkey
Co-founder, Creative Director and Designer at [IM]perfectionists

- International Foundation
- BSc (Hons) Marketing and Management

Gain a competitive advantage in the job market with the **UEA Award**. Valued by employers, it recognises academic and extracurricular activities at UEA that help you develop skills for employment and life.

“My degree was based in group work which boosted my team building, collaboration and group presentation skills – something I now really value working in my field! There were also opportunities to network beyond the classroom, such as mock interviews and panel discussions with professionals during Employability Week.”

Aimen, Pakistan
Business and Integration Architecture Associate Manager at Accenture

- International Year One
- BSc (Hons) Business Management

Your studies at UEA

Study a degree designed for forward-thinkers at UEA. Choose from more than 200 degrees across a range of subject areas, from business and law to health sciences and international development. Follow in the footsteps of Nobel Prize winners and learn from experts in your field.

BUSINESS MANAGEMENT

Join Norwich Business School – a high-energy, high-tech hub that will kick-start your career.

- Top 20 in the UK for Business, Management and Marketing¹.
- Accreditations by professional bodies including ACCA, AMBA, CFI, CIM, CIMA, CMI and ICAEW.
- Employability projects and industry links, such as a work placement at a reputable company.
- Help a business thrive in the Graduate Trainee Management Scheme or join the Graduate Job Programme, exclusive to the Business School.

About Norwich Business School:

- Friendly and supportive school with 1,000 undergraduate and 600 postgraduate students from across the world.
- Team of more than 100 internationally recognised academics and business experts.
- World-leading research in topics such as responsible business regulation, innovation, technology and operations management, and entrepreneurship and business strategy.

HEALTH SCIENCES

Embrace a culture that encourages curiosity, compassion and academic excellence.

- 6th in the UK for Speech and Language Therapy³.
- 12th in the UK for Pharmacology and Pharmacy¹.
- The School of Health Sciences works alongside the NHS and other research partners, including the innovative Norwich Research Park.
- You'll experience early clinical placements, ensuring patient contact from the outset.

Facilities for health sciences include:

- £31 million state-of-the-art teaching labs in the School of Pharmacy, with links to partners such as AstraZeneca, GSK, Merck and the NHS.
- Norfolk and Norwich University Hospital which provides care for 1 million residents of Norfolk.
- Excellent learning facilities for physiotherapy and occupational therapy students, including an anatomy room and assistive technology suite.

INTERNATIONAL DEVELOPMENT

Be a force for change and help to build a future for everyone, taught by the best.

- =14th in the world for Development Studies⁴
- Study international development exclusively or with other subjects such as media or politics.
- Option to take an overseas placement – previous students have worked with BBC Africa in Kenya and WaterAid in Ethiopia.
- Graduate career destinations include the United Nations World Food Programme, international NGOs, UK or foreign government, and Oxfam.

About the School of International Development:

- The School works with a wide range of organisations, from the World Bank to WaterAid.
- Academic community of 50 staff and more than 500 students from across the globe.
- Unique interdisciplinary approach – learn from experts across a range of disciplines, from media and politics to economics and geography.

BA (HONS) BUSINESS MANAGEMENT WITH INTERNATIONAL YEAR ONE

Do business better with 95% student success². Start preparing for your future with embedded careers support and a guaranteed 4-week virtual placement. Graduate with a business management degree in just three years, on a single visa.

ALL INTO UEA AND UEA STUDENTS ALSO HAVE ACCESS TO:

- 📖 UEA library – open 24/7, 365 days a year
- 🏊 Sportspark – with an Olympic-sized swimming pool, in and outdoor courts and pitches, a fitness centre and a climbing wall
- 🕊 Multifaith Centre – a spiritual meeting place and community centre on campus
- 👥 Students' Union – home to 200+ clubs and societies, cafés, shops, social spaces and entertainment venues

Your tailored live-learn environment

This is INTO UEA

Located centrally on campus, the INTO UEA Centre is where you'll live and learn with other international students during your pathway programme. From arriving at the welcome desk to sitting down with our Social and Welfare team in the Courtyard Office, we're dedicated to helping you feel comfortable as you adjust to life in Norwich. Tell us what you need, and we'll always do our best to accommodate you!

96%
of students feel safe and secure living at INTO UEA

(INTO Annual Student Experience Survey 2022)

UEA CAMPUS

Described as a mini-city, UEA's campus was designed to be the ideal community environment. You'll find everything you need for daily life, such as supermarkets and a medical centre, plus a variety of entertainment options. Discover 145 hectares of scenic wildlife trails to explore too, right on campus.

UNRIVALLED STUDENT SUPPORT

Our students are highly satisfied with the support they receive at INTO UEA. The dedicated Student Services team will support you with any non-academic issues, providing:

- Help registering with a doctor and opening a bank account
- Support with renewing your visa and booking travel tickets
- General advice and guidance about student life
- Social events and support sessions, including an orientation programme
- Staff on hand 24 hours a day, with additional support for under 18s

YOUR HOME AWAY FROM HOME

The INTO student residences are in the same building as the INTO Centre and just a two-minute walk to your classes. You're perfectly located for getting to lessons quickly and easily! You'll enjoy:

- A private study bedroom with bedding provided, plus an ensuite bathroom
- Shared kitchen and living spaces with other INTO UEA students, including your own lockable cupboard
- The option to book a meal plan and have two meals cooked for you each day in the on-site INTO Café
- On-site staff available 24/7 to offer support
- Additional entry access security for students under 18
- Your room cleaned and bedding changed on rotation every week
- Laundry facilities
- Free Wi-Fi

“Students are allocated a Personal Tutor and there are always staff available at reception to help with any issues with things like accommodation. Reception staff also sort post and parcels and then deliver them to bedrooms, so I never missed a single one when I lived there.”

Chushu, China

- International Year One
- BSc (Hons) Marketing and Management

“The residential block is less than two minutes away from the teaching building. The bedrooms are very cosy and have ample storage and a good-sized desk. They're all ensuite as well, which is nice.”

Kaley, Hong Kong

Occupational Therapist at James Paget University Hospitals NHS Foundation Trust

- International Foundation
- BSc (Hons) Occupational Therapy (First Class Honours)
- MSc Clinical Research

INTO CENTRE FACILITIES

- 📖 Learning Resource Centre with academic books and computers
- 👥 Lecture theatre seating up to 80 students for university-style classes
- 🔍 Three well-equipped laboratories for science-based courses
- 🍴 INTO UEA Café serving three meals a day, with halal and vegetarian options
- 📍 Your accommodation is in the same building as your classrooms

After you complete your INTO course, you'll be guaranteed accommodation in UEA halls of residence for the first year of your degree!

“I’ve become seriously obsessed with this city. There are plenty of independent shops, cafés, parks and green spaces to explore. It’s a city where there’s always something going on, but it’s never too much that it overwhelms you. I loved that I could bike for a couple of miles, and I was in the countryside.”

Maria, Costa Rica

- International Year One
- BSc (Hons) Economics (First Class Honours)
- MSc Development Economics

Norwich: a favourite student city

Friendly. Eco-conscious. Diverse. Norwich welcomes fresh perspectives. It’s a place where the old meets the new – where different cultures are celebrated. It’s one of the most climate-friendly English cities¹ and the top vegetarian and most vegan-friendly city in the UK². So, it’s no wonder that Norwich has been voted one of the best places in the UK to live³.

NORWICH IS HOME TO:

- Big brand shops and small independent boutiques
- Entertainment options ranging from cinemas to escape rooms
- City festivals such as the theatrical Norfolk and Norwich Festival
- International supermarkets and restaurants
- Popular music acts performing at The Waterfront

NORFOLK: ESCAPING THE CITY

- Beyond the city, discover some of the UK’s most picturesque countryside. Norfolk is home to:
- Miles of unspoiled coastline and some of the UK’s finest beaches
 - The world-famous Norfolk Broads – an area of outstanding natural beauty
 - Historic towns and medieval villages, such as Cromer and Great Yarmouth

CAREERS IN NORWICH

Norwich is known for its financial services, enterprise and thriving digital technology sector. There are plenty of employment opportunities in the clean energy industry too – Norfolk is one of the UK’s leaders in renewable energy. By studying at UEA, you’ll become part of a valuable talent pool for graduate employers. The connections you make in Norwich will help set up your career for life.

DID YOU KNOW?

Marvel’s Avengers movies were partially filmed in Norwich. In fact, the Sainsbury Centre on UEA’s campus was used as Avengers HQ!

YOUR BASE FOR AN ADVENTURE

Norwich has great transport links to the rest of the UK and Europe. Fly to Edinburgh or Amsterdam from its international airport, or catch a train to:

- Cromer Beach – 1 hour
- Cambridge – 1 hour and 20 minutes
- London – under two hours

Choosing your course

Prepare for your university degree with our academic courses in a range of subject pathways, designed in partnership with UEA. This is what your study journey could look like.

Academic courses

English language courses

Improve your English level fast with tailored, personalised support.

Academic English

- An engaging course with small class sizes that will give you rapid progress of 0.5 to 1.0 IELTS point per term.
- More than language learning – develop the academic skills needed for successful UK study. Internal assessment means no IELTS score is required.
- Take as a standalone course or combine with an academic study plan for a smooth transition to further studies.
- Online and on-campus courses with flexible start dates from January to October. Study lengths from 1 to 4 terms.

For more information, visit:
www.intostudy.com/uea/ae

Pre-sessional English

- For UEA offer holders. Improve your English language skills to the level required for your degree in a 4, 6 or 10-week course. Start dates range from June to August.
- Develop key skills for university study and increase your confidence in communicating in English before you start your degree.

For more information, visit:
www.intostudy.com/uea/pse

P Degree option with a work placement also available
Y Degree option with a year abroad or overseas experience also available

 17 years and above

 3-term: Sep

 3-term: IELTS 5.5 (with a minimum of 5.0 in all subskills) or equivalent.

 2-term: Mar
 3-term: Sep or Jan
 4-term: Oct

 2-term: IELTS 5.5 (with a minimum of 5.0 in each subskill) or equivalent.
 3-term: IELTS 5.0 (with a minimum of 5.0 in writing) or equivalent.
 4-term: IELTS 4.5 (with a minimum of 4.5 in writing) or equivalent.

Students intending to progress to any degree with an economics element:
 2-term: IELTS 6.0 (with a minimum of 5.5 in each subskill) or equivalent.
 3-term: IELTS 5.5 (with a minimum of 5.5 in writing) or equivalent.
 4-term: IELTS 5.0 (with a minimum of 5.0 in writing) or equivalent.

 Age requirement
 Start dates
 English requirements

Improve your subject knowledge and English language skills to the level you need to begin Year 2 of an undergraduate degree at UEA.

Biological Sciences – BLGY

Choose from 5 degrees.

During your pathway, 60 out of 120 credits are taught at UEA alongside first year university students. Depending on your progression degree, you will be taught by world-class academics from the School of Biological Sciences and Norwich Medical School, as well as hospital consultants and biomedical scientists from the Norfolk and Norwich University Hospital.

What will I study?

You'll study these core modules:

- Biological Chemistry (20 credits)
- Cell Biology and Physiology (20 credits)
- English and Skills for Biologists (20 credits)
- Molecular Biology and Genetics (20 credits)

Plus 40 credits from the following modules:

- Biodiversity (20 credits)
- Concepts in Microbiology (40 credits)
- Evolution Behaviour and Ecology (20 credits)
- Introduction to Biomedicine (40 credits)

You'll need to earn 120 credits from all module options.

Business Management and Economics – DBM

Choose from 11 degrees.

In addition to the 3 and 4-term programme, there is also a 2-term programme for students with a higher level of English that prepares you for quicker entry to UEA. Progress to Year 2 of a degree in business, accounting or economics at Norwich Business School or UEA's School of Economics.

What will I study?

You'll study these core modules:

- English Language and Study Skills (0 credits) *
- Introduction to Business and Marketing (20 credits)
- Introduction to Financial and Management Accounting (20 credits)
- Introductory Macroeconomics (20 credits)
- Introductory Microeconomics (20 credits)
- Organisational Behaviour (20 credits)
- Quantitative Methods (20 credits)

You'll need to earn 120 credits from all module options.

* While this is a non-credit bearing module, it's essential, along with your academic modules, for your progression.

 17 years and above

 3-term: Sep

 3-term: IELTS 5.5 (with a minimum of 5.0 in all subskills) or equivalent.

Improve your subject knowledge and English language skills to the level you need to begin Year 2 of an undergraduate degree at UEA.

Film and Television Production – FILM

During your pathway, 60 out of 120 credits are taught at UEA alongside first year university students. You'll benefit from teaching staff with years of experience in industry and access UEA facilities including a state of the art television studio.

What will I study?

You'll study these core modules:

- Analysing Film and TV (20 credits)
- Creative Critical Methods (20 credits)
- English and Skills for Media (0 credits)*
- Film and Video Production (20 credits)
- Introduction to Media (20 credits)
- TV Studio Production (20 credits)
- Writing for Media (20 credits)

You'll need to earn 120 credits from all module options.

 3-term: Sep

 3-term: IELTS 5.5 (with a minimum of 5.0 in all subskills) or equivalent.

International Development with Media – IDM

Choose from 18 degrees.

During your pathway, 40 to 60 credits are taught at UEA alongside first year university students. You'll have the opportunity to progress to Year 2 of a degree in international development at UEA, with the option to study abroad or take an overseas placement.

What will I study?

You'll study these core modules:

- Big Questions for People and Planet (20 credits)
- English Language and Study Skills for International Development and Media (0 credits)*
- Humanitarian Communication (20 credits)
- Introduction to Economics for International Students (20 credits)
- Politics and International Development for International Students (20 credits)
- Social Anthropology and International Development for International Students (20 credits)

You'll need to earn 120 credits from all module options.

Plus one of the following modules:

- Global Development and the Environment (20 credits)
- Introduction to Media Studies for International Students (20 credits)

Scan the QR codes or visit www.intostudy.com/uea/courses to find out more about each programme, including a full list of progression options.

* While this is a non-credit bearing module, it's essential, along with your academic modules, for your progression.

 17 years and above

 3-term: Sep

 3-term: IELTS 5.5 (with a minimum of 5.0 in all subskills) or equivalent.

Improve your subject knowledge and English language skills to the level you need to begin Year 2 of an undergraduate degree at UEA.

Psychology – DIPPSY

Choose from 4 degrees.

All 120 credits are taught alongside first year students at UEA, while the non-credit bearing 'English Language and Study Skills' module is taught by our expert teachers at the INTO Centre. Progress to Year 2 of a degree in your chosen area of psychology at UEA's BPS accredited School of Psychology.

What will I study?

You'll study these core modules:

- English Language and Study Skills (0 credits)*
- Psychology of the Individual for International Students (40 credits)
- Research, Design and Analysis (40 credits)
- Self and Society for International Students (40 credits)

You'll need to earn 120 credits from all module options.

Once you've successfully completed your International Year One programme, we'll help you choose your University of East Anglia degree. Depending on your subject area, you could study:

Degree	Pathway(s)	Specific requirements	English level	Final grade

Social Psychology BSc (Hons)	DIPPSY	Minimum of 40% in Research Design and Analysis modules, 55% in all other modules, minimum English 60% in all components.	65% (with 60% in all subskills)	n/a

* While this is a non-credit bearing module, it's essential, along with your academic modules, for your progression.

^P Degree option with a work placement also available

^Y Degree option with a year abroad or overseas experience also available

18 years and above.

1-semester: Jan or Apr
2-semester: Sep or Jan

1-semester: IELTS 5.5 (with a minimum of 5.0 in all subskills) or equivalent.
2-semester: IELTS 5.0 (with a minimum of 4.5 in all subskills) or equivalent.

For students intending to progress to MA Mathematics Education, MA Second Language Education, MSc Education Leadership and Management or MA Education; Learning, Pedagogy and Assessment:
1-semester: IELTS 6.0 (with a minimum of 5.5 in all subskills) or equivalent.
2-semester: IELTS 5.5 (with a minimum of 5.0 in all subskills) or equivalent.

Improve your subject knowledge and English language skills to the level you need to begin a postgraduate degree at UEA.

Business, Economics and Social Sciences – GRAD

Choose from 40+ degrees.

This programme teaches modules in business and economics or social sciences to prepare you for postgraduate studies in a relevant subject. You'll have conditional progression to UEA's Faculty of Social Sciences, the AMBA and AACSB accredited Norwich Business School, or UEA's Faculty of Arts and Humanities.

In addition to a standard 2-semester programme, there's also a 1-semester (6-month) accelerated programme. This programme is aimed at students with a higher level of English, preparing you for entry to a postgraduate degree at UEA in a shorter length of time.

What will I study? *

You'll study these core modules:

- English Language and Study Skills (30 credits)
- Introduction to Research (10 credits)
- Quantitative Analysis (10 credits)
- Social Communication Skills (0 credits)

Plus the following modules in the Business and Economics sub-pathway:

- Core Business (20 credits)
- Entrepreneurship (30 credits)
- Issues in Economics (20 credits)

Or the following modules in the Social Sciences sub-pathway:

- Applied Research Skills (30 credits)
- Global Issues and Development (20 credits)
- Social and Cultural Studies (20 credits)

You'll need to earn 120 credits from all module options.

Once you've successfully completed your International Graduate Diploma programme, we'll help you choose your University of East Anglia degree. Depending on your subject area, you could study:

Degree	Specific requirements	English level	Final grade
Accounting and Finance MA	Minimum of 50% in all modules. Must have degree in business, accounting, finance or economics.	60% (minimum 55% in only two subskills)	65%
